

Beaver Class Homework 16.11.18

This week I would like you to do a research and presentation project. There are three choices of topic:

- Anti-bullying week
- Children in Need
- Roman Gods and Goddesses

You can also choose how to present your work but it must include at least some writing and this must be in your own words – you can't just copy and paste from the internet.

Either:

- a poster with some writing on it
- a leaflet
- a powerpoint presentation

Please take pride in your work and make sure it comes in looking like you have paid attention to the way it is presented and your handwriting and spelling.
