How to Slay a Beast

by Beowulf

Weaponry

It is ideally to have a variety of weapons during the monstrous, rampaging battle. Weapons must be cleaned every day with the finest polish, as well as sharpening the end of your should be sharp sword otherwise it will immediately turn blunt. This should be part of your daily routine.

Armour

For this deadly quest, your armour should be flexible as you will be tossing and turning. Your body armour should be strong and sturdy enough to last a month. It should also be incredibly easy to move in and easy to wash.

Preparing for battle

Before battle you will emerge to a room and start to exercise. Please eat good quality food and only drink water to stay hydrated and healthy. Before battle say all your goodbyes to families and friends as you might not survive this horrible, ruthless battle.

Strategy

Abilities however should match with being sneaky and hiding if by any chance your opponents comes charging towards you give them a fright and fiercely move as fast as you can then
ATTACK.

Beasts you may encounter

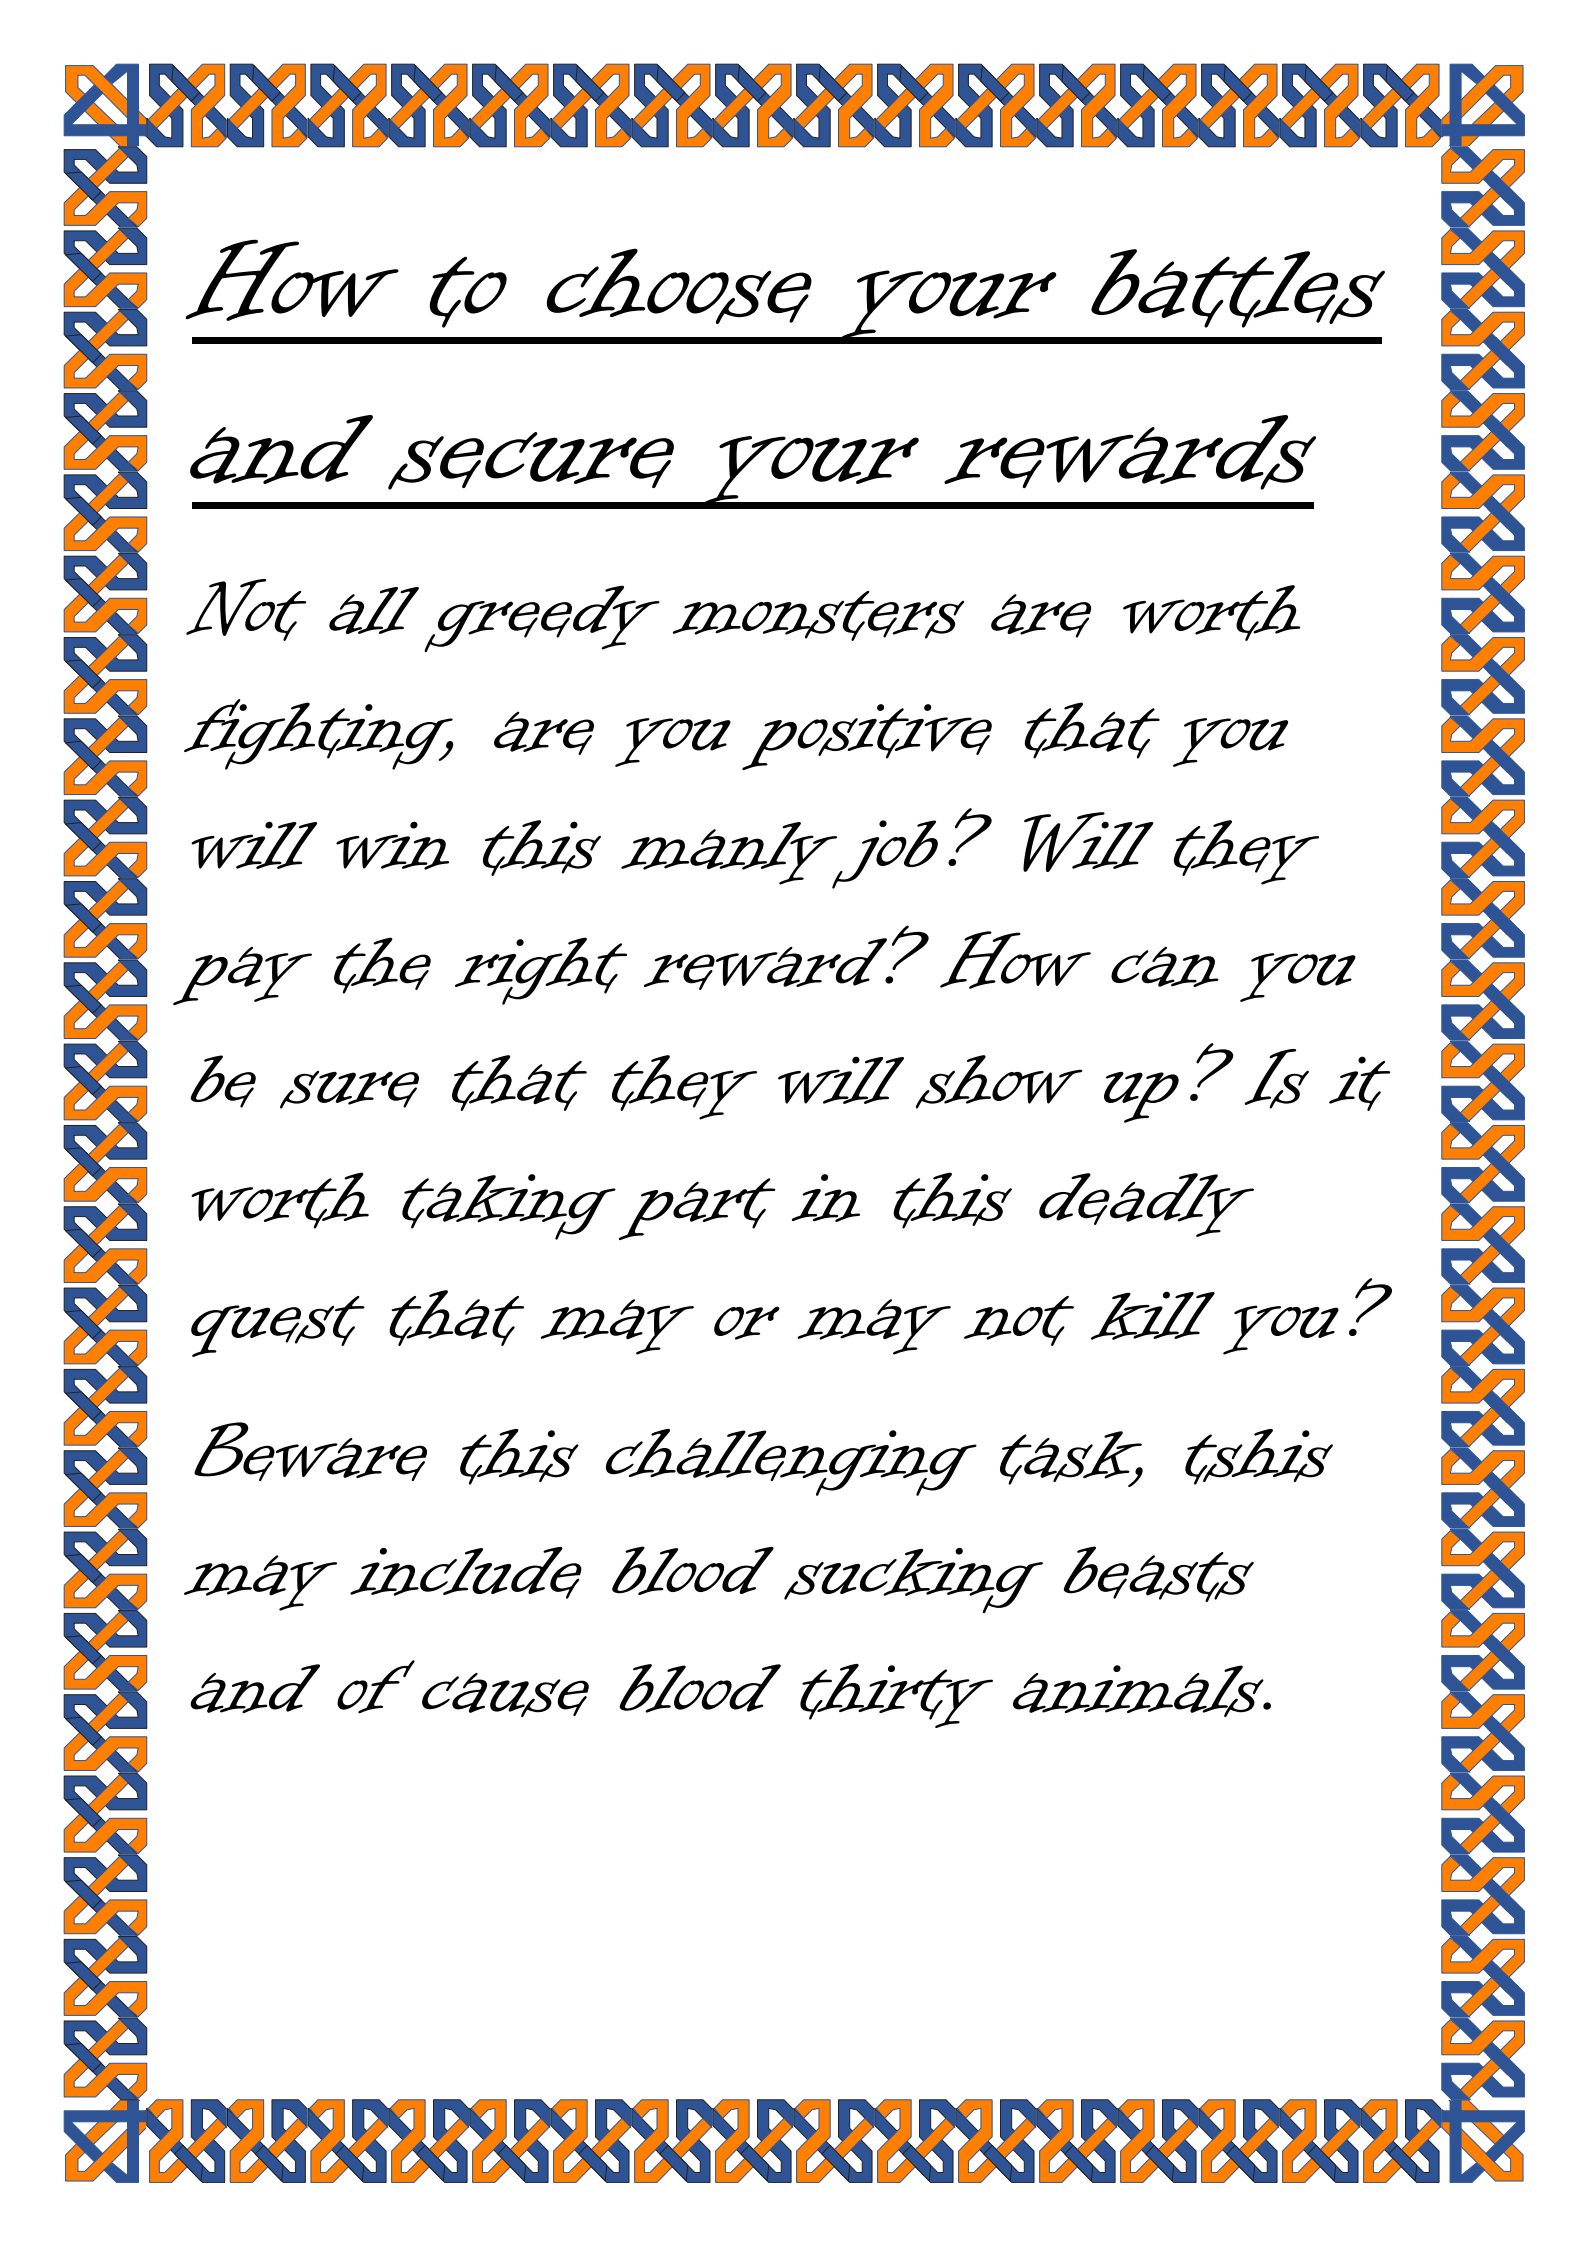

The beasts you may come across will include bazaar wild animals like lions with 100 teeth or pigs with an incredibly amount of legs.

You will be facing the brutal hag and don't forget 25 headed dogs, which is, your worst nightmare.

There will also be cruel 100 teeth pigs, and unusual wild animals that come out of prehistoric books.

Taking care of yourself

How will you look out for danger? What if you are in the middle of a volcano eruption or a tornado that is going to hit? What about if the monster doesn't show up and you have no one to fight? What happens if there is a wild fire?

How to choose your battles
and secure your rewards

Not all greedy monsters are worth fighting, are you positive that you will win this manly job? Will they pay the right reward? How can you be sure that they will show up? Is it worth taking part in this deadly quest that may or may not kill you?

Beware this challenging task, this may include blood sucking beasts and of course blood thirsty animals.
